USEF Equine Vaccination Rule – Effective December 1, 2015

The Competitor is to provide flu/rhino vaccination proof with each entry as outlined in USEF GR845 below. Both vaccinations must be within 6 months of the show BUT should be no later than 7 days before the show.

GR845 Equine Vaccination Rule

1. At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.
2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.
3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.
4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.
5. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee. BOD 1/17/15 Effective 12/1/15.

Fall Festival I & II

Disease Outbreak Rule: In the face of a disease outbreak, the show committee reserves the right to follow the AVMA (American Veterinary Medicine Association) and/or the AAEP (American Association of Equine Practitioners) recommendations as to what testing would be necessary to consider a horse free from the disease in question. They also reserve the right to require written proof that said testing has been performed within the recommended period of time. If the competitor does not adhere to the requirements, the show committee can refuse entrance to the show.

Some diseases are “Reportable Diseases,” meaning they must be reported to the State of Arizona Department of Agriculture. These diseases are subject to quarantine rules of the state. An example of one such disease is Vesicular Stomatitis. In the case of reportable diseases, a health certificate is required from an accredited veterinarian with proper statement regarding said disease to accompany the horse.

Since this rule could apply to any number of diseases, and it would be impossible to list them all here, the show committee will post the testing/health certificate requirements on the sponsor web page if there is a current disease outbreak in the area.

Confirmation/Times: Unofficial ride times and show updates will be posted no later than Thursday prior to the horse show at HorseShowSolutions.com. An entry confirmation will be e-mailed to rider.

E-mail addresses are required and must be clearly printed.

Management reserves the right to change the time schedule after tentative times have been posted. A list of final ride times will be posted at the show grounds by noon on Friday for Saturday’s competition day and by noon on Saturday for Sunday’s competition day. However, if there are excessive scratches, the time schedule may be revised during the course of the show. Check the scoreboard daily for any changed times.

Show Schedule and Ride Time Conflicts: It is the responsibility of the rider to inform the management of any time conflicts as soon as possible after receiving the schedule.

Stable Groups: If stabling with a group provide one name to identify the group on each entry form for that group.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

HEROES ON HORSES
Therapeutic Riding of Tucson, Inc. (TROT)**

A LITTLE BIT ABOUT “HEROES ON HORSES”

Since spring 2006, TROT has collaborated with the Southern Arizona Veterans Administration Hospital to help injured US Veterans in the Tucson area. TROT's *Heroes on Horses* program offers both mounted and ground lessons and focuses on physical, emotional, social, and cognitive healing. Mounted lessons help improve core strength, balance, and coordination. Learning to cue the horse and ride patterns requires confidence, decision making, following instructions, and remembering complicated courses. The emotional bond with the horse can be powerful and life-changing and can help participants develop tools to better prepare for the anxieties of everyday life. The atmosphere of *Heroes on Horses* is fun, positive, and uplifting- as place where participants can share their experiences and fears with other veterans and where they can focus on physical rehabilitation and personal growth. One TROT participant described the experience saying, “There is absolutely no way to express or measure how this treatment has helped me deal with PTSD and other mental health issues.”

TEAM CHALLENGE RULES

1. **Team Coordinator:** Sign up your team* by sending an email to Ursula Conway, umconway@gmail.com, with the names of your team members* and your email address.
2. **A registration fee of \$25** (check made out to ‘TDC’ or cash) will be collected at the show when pledge sheets are turned in by team coordinator. All other funds collected go directly to TROT Heroes on Horses.
3. ***Team will be made up of 3 riders:** 1 open rider and 2 AA (or 1 open, 1 AA, & 1 Jr). If you wish to participate but don't have a team, let us know and we'll try to put riders together to form a team. You may also participate on two teams but will need two different pledge sheets (1 for each team).
4. **Download a pledge sheet** (1 for each team member) from the TDC web site to record donations and pledges to your team. Get your friends, family, businesses to make a sponsorship or pledge by either of the following methods :
 - a. **Sponsor-** Make a one-time donation for your team by
 - i. writing a tax-deductible check made out to TROT, Inc.- team member collects check and records amount on his/her pledge sheet... OR
 - ii. Sponsor may use a credit card by calling TROT at 749-2360, Ext '0'. Ask for Carolyn and provide the name of the rider who solicited the donation for team credit
 - b. **Pledge** - a donor pledges a specific amount based on rider's highest dressage score (rounded up to next whole number) minus 50%. For example, a donor might pledge \$2. If rider's highest score for Saturday is 62.4%, then the person who pledges would pay 63% - 50% = 13 X \$2 = \$26. You would collect this amount from your donor after the show. Checks should be made out to TROT, Inc. Note to Riders: You will use the best score you receive for any one ride on Saturday.
5. **Team Coordinator: Please turn in your registration fee; pledge sheets; and sponsor checks Fri. pm at the competitor dinner. All pledges and sponsorships must be recorded on pledge sheets prior to turning them in so that your team can get the proper credit.**

The Tucson Dressage club is a non-profit educational organization with the mission of promoting dressage in southeastern Arizona. We also sponsor a series of schooling shows and US Equestrian Federation (USEF)/US Dressage Federation (USDF) recognized shows each year. We elect a Board of Directors from the general membership and are governed by bylaws. Formed in 1975, the Tucson Dressage Club is today a group of dressage enthusiasts who have joined together to learn more about dressage, share experiences, support and encourage each other. We strive to promote interest in and understanding of the principals of dressage through our many programs and shows.

The Arizona State Championships will be held at the Tucson Dressage Club Fall Festival I & II Dressage Shows, November 18-19, 2017, at the Pima County Fairgrounds, Tucson, AZ.

For scores to count toward qualification for the State Championships, a \$25 nomination fee must be paid for each horse. This fee must be paid before any rides will count toward qualifying.

Since only one horse/rider combination can compete at State Championships, the fee goes toward the horse. Multiple riders may qualify on the same horse if the nomination fee has been paid for that horse. If multiple riders qualify on the same horse, **one rider only** may compete in the State Championship classes and the concurrent Fall Festival I & II shows. See State Championship Rule 5.

There are two ways to file your Nomination Form:

1. Send the nomination with a \$25 check, payable to the Tucson Dressage Club (TDC) to the address listed below.
2. Include the nomination form and check, payable to TDC, with your show entry to any Recognized show in Arizona – Arizona Dressage Association (ADA), Tucson Dressage Club (TDC), Coconino or Road Runner shows.

Check the current Arizona Dressage Omnibus or ADA and TDC websites for complete State Championship rules. Updates will also be posted on these websites, if required: ADA, www.azdressage.org; TDC, www.tucsondressageclub.org.

Fees apply.) Riders who use a qualifying score from a **recognized** non-ADA/TDC-hosted Dressage competition may be responsible for submitting proof of qualifying scores (copies of signed score sheets or USDF scores report) to the State Championships Show Secretary with their show entry and understand that their name(s) may not appear on any published qualifying lists.

Horse/rider combination must declare Rider's status (Open, Adult Amateur or Junior/Young Rider) and must provide proof of eligibility to show management.

COMPETITION

Qualifying competitions must be USEF licensed and open Dressage classes must be USDF recognized. Non ADA/TDC-hosted competitions must apply annually before November 1st for ADA/TDC recognition. Email scores@azdressage.org for details.

Qualified horse/riders/level will be published in the TDC Transitions and the ADA Centerline and on the TDC website (tucsondressageclub.org) and the ADA website, (azdressage.org). Copies of the list of qualifiers will be sent to all Arizona GMO's. Any rider who does not appear on the qualifying list (and who believes that s/he has indeed qualified) must supply a photocopy of the face of both qualifying test sheet rides OR copies of USDF records of qualifying rides to the show secretary upon entering Arizona State Dressage Championship classes.

1. Championship Classes will be double judged.
2. The highest test of the level will be ridden from memory.
3. NO WHIPS may be carried in Championship Classes.
4. Cross entering divisions is not permitted unless at levels that do not offer separate divisions.

November 18-19, 2017 – Pima County Fairgrounds, Tucson, AZ

Qualifying period for 2017 State Championships: October 1, 2016 through September 30, 2017

5. **At no time during the Championship or the concurrent Open Show may any horse entered in the Championship competition be ridden by anyone other than the rider entered in the Championship competition on that horse (Exception: grooms riding on loose rein). Further, any horse entered in the Championship competition, even if entered at two levels, must be ridden by the same rider throughout all days of the competition, including the Open Show held in conjunction with the Championships show. Two shows held over the same weekend will be considered a single show. This rule applies as soon as the horse is on the grounds.**
6. Championship Classes will follow US Equestrian Federation and FEI rules regarding attire and equipment. Ring stewards will check saddlery and inspect bits of each horse immediately after it has completed its test and has left the arena. Any discrepancy to the saddlery or equipment rules will entail immediate elimination (See DR121.8).
7. Horse/rider combinations which have won a State Championship may no longer compete in a State Championship competition, in that division, at that or a lower level (Grand Prix Level excepted).
8. In the event of a tie (equality of total points) for Champion and/or Reserve Champion in Championship classes, the collective marks will determine first, second and/or third places (i.e., when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.) If collective marks are equal, the tie will remain unbroken (i.e., two first places will be awarded, next third place, etc.) This policy for breaking ties will also apply to subsequent placing in the class. In the case of a tie (equality of total points and collective marks) for Champion, prize money, (if offered) for Champion and Reserve Champion will be combined and divided equally between the competitors. See USEF Rules DR123.3 and DR123.6.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$75), 5-years (\$300), or life (\$1,500). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$60). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards, Great American Insurance Group/USDF Breeders Championship Series Finals and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$200) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$25 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$25). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or Great American Insurance Group/USDF Breeders Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$70. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$95) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete at Great American Insurance Group/USDF Breeders Championship Series Finals and Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
